## **Water service upgrades set to start on Moon Avenue**

The City of Williams Lake expects to start work this week on water service upgrades on Moon Avenue.

Most of the work will occur between 7 a.m. and 6 p.m. Monday-Saturday, with the possibility of extended hours, and run through May and June. During the upgrades, water interruptions may occur, as well as traffic delays and parking restrictions.

Further notice will be delivered to affected properties before any work starts.

Please use caution when driving in the construction areas and obey all traffic control personnel, signs and devices. Your co-operation and patience are greatly appreciated during this time.
