Development Proposal Notice

The City of Williams Lake requires that the applicant or developer post a Development Proposal Notice (sign) on the subject property. A sign is not required for an application that only involves textual amendments to the Official Community Plan (OCP) or Zoning Bylaw. The City has a number of pre-printed signs available on a first come, first served basis. The signs are constructed of aluminum for durability and are 2.4 metres by 1.2 metres (8 feet by 4 feet) in size.

At time of application for an OCP or Zoning Amendment, in addition to the application fee(s), the applicant shall pay a refundable deposit of \$400. The applicant is responsible to pick up the sign from the City works yard during normal business hours and provide all materials necessary for installation. Sign installation should be done in a sound manner, capable of withstanding wind and weather. The sign shall not interfere with pedestrian or vehicular traffic, or obstruct visibility from the streets or driveways so as to create a hazard. The sign is to be centrally located on the parcel line of the subject property adjacent to the public street.

All signs shall be installed by the applicant within 14 days after first reading of the OCP or Zoning Amendment and a minimum of 10 days prior to the Public Hearing, remaining in place continuously until the Public Hearing is held. Following installation, the applicant is responsible to contact the Development Services Division of City Hall so that an inspection can be made to confirm the sign is suitably located on the subject property for visibility by the public. During possession of the sign, the applicant accepts all responsibility for its installation and maintenance and the City shall not be liable for failure of the sign, or supporting structure, or any injury to any person, or property, resulting therefrom.

After the Public Hearing, the sign must be removed within 7 days and returned to the City works yard in the condition it was received. If the sign is not removed, or is returned in poor condition, the City will retain the \$400 deposit as compensation to cover removal costs or sign replacement. Should the application be defeated at first reading, the deposit will be returned to the applicant.

Failure to post the sign shall result in the postponement of the Public Hearing and any costs incurred by the City for public notification as a result of such postponement shall be the responsibility of the applicant.
